

Skills Abilities Achievements **Experience**

Self-Assessment

Take some time to do a self-assessment on paper. It is best to list everything you can think of and then select the information that is most appropriate for the position for which you are applying from this master list.

Other Lists to Make: Instrumentation / Equipment LIS Software Technical Abilities (Key Skills) Certifications and Licenses

Medical Laboratory Scientist Example

Johnny Genius, MLS(ASCP) Mobile Phone: (555) 555-5555 • 123 Address, City, State 55555 • E-mail: Johnny.Genius@gmail.com

Linkedln Profile: www.linkedln.com/in/MedLabScientist SUMMARY OF QUALIFICATIONS

Demonstrated track record in Patient & Physician-based healthcare, customer service, strong initiative and leadership in a laboratory setting Proficient in Laboratory & Healthcare Compliance: Clinical Laboratory Improvement Amendments (CLIA),

B.S., Clinical Laboratory Science, University Name, City of University, State, July 2010

College of American Pathologist (CAP), American Proficiency Institute (API), Occupational Safety and Health Administration (OSHA), and Health Insurance Portability and Accountability Act (HIPAA)

ASCP Certified Medical Laboratory Technologist with 3+ years of experience as a Stat Lab Generalist

PROFESSIONAL EXPERIENCE

CERTIFICATION & LICENSURE MLS(ASCP), No. 55555, currently active

Tennessee State licensed Medical Laboratory Technologist, No. 55555

Workplace Name, City of Workplace, State Serviced the Geriatric Community by performing stat testing for Nursing Homes, Assisted, Living and Home Health facilities

Performed routine and complex stat testing in Hematology, Chemistry, Immunoassay, and Microscopic urinalysis

Performed and reviewed daily QC, API testing, QA, and all CLIA data compliance and documentation

Medical Laboratory Technologist (Generalist) Workplace Name, City of Workplace, State

Medical Laboratory Technologist (Generalist)

Aug. 2010 - Aug. 2011

May 2009 - July 2010

June 2012 - Present

Prioritized, processed, and performed clinical testing in the stat laboratory by following standardized policies and procedures in: Chemistries, Hematology, Manual Differentials, Urinalysis, Coagulation, and Immunoassays

Workplace Name, City of Workplace, State Workplace Name, City of Workplace, State

LAB INSTRUMENTATION

Coagulation:

RXL & Envoy 500 Chemistry: Beckman Coulter Hmx, Sysmex XS-1000i & Beckman Coulter ACT 5 Hematology: <u>Urinalysis</u>: Clinitek Atlas & Clinitek Status

ACL 100 & Sysmex BCS

Microbiology: PCR, ELISA, BD Bactec Culture System, & MIC Sensititre ARIS Immunoassay: Mini Vidas &Immulite 2000 Blood Bank: Ortho ProVue Gel System

Header

Your name can be followed by

Be BOLD!

relevant education or certification abbreviations. Include all of your contact

information at the top: Full Name Address (City/State only is ok!) Permanent Phone Number Professional E-mail Address LinkedIn Address

In 3-4 bullet points or 1-3

sentences, explain why you are the best candidate for the position. What would the employer gain by

Summary

hiring you, and ultimately, how can you help them make money or accomplish their goals?

Education

New graduates should list their education at the top followed by a detailed description of their clinical experience.

Experienced professionals can

list education after their work experience. However, mention any qualifications required for the position at the top in the Summary of Qualifications or after your name or title.

4) Certification Clearly highlight your

licenses that you have or will obtain or are eligible for. Spell out organizations and abbreviate them, such as

certifications and/or state

American Society of Clinical Pathology (ASCP), to optimize search engines.

Use action words to describe an overview of the skills you used

5) Experience

and learned in each position. Highlight any leadership opportunities, achievements and

special contributions that show how you will be a great employee to have on the team. Do not copy and paste your current company's job

description/ responsibilities. Examine the Details

Add more value and possible ways employers can find you in

6 And More!

their database systems or on Monster/ Indeed/ Career Builder searches by listing Instrumentation, key skills/ processes, and laboratory careerrelated volunteering or achievements.

List your education and experience in reverse chronological order - begin with the most recent experience first.

All dashes (-) separating dates or terms should be the same size and distance apart.

Document Size: 8.5 x 11 inches Margins: .5 to 1 inch boarders Font Size: 10 to 14 points (except name in header) Font Types: Times New Roman, Garamond, Helvetica

Paper: white or off-white high-quality paper

instrumentation and skills. Make sure you spell your job titles correctly! Ask a detail-oriented friend to give you feedback on formatting

There will be several words the spellcheck dictionary won't

know; so double-check all

and to have them proofread grammar and to check for any awkward phrases.

Key Search Terms Recruiters Use to Find You:

Medical, Technologist, Technician, Clinical, Laboratory, Scientist, "ASCP", "AMT", "American Society of Clinical Pathology", "American Medical Technologists", "MLS", "MLT", Hospital, Generalist and/or list your Specialty
